

Mama's Victorian Guest House is seeking to provide a Christian hospitality alternative to those coming to visit or serve Answers in Genesis. We are located 2 miles from the Answers in Genesis headquarters and Creation Museum site. The Cincinnati/Northern KY airport is also conveniently nearby. For those who are local we offer a wonderful setting for a weekend getaway or romantic celebration.

### *Our Story*

We bought this 1800's Victorian house as our home away from home. Our son-in-law works for Answers in Genesis and we are incredibly blessed by the ministry. We have decided to open our home for AiG guests and pray that it would be a blessing to you. After we retire in 2009, we plan on operating as a Bed & Breakfast. Until that time we will operate as a Guest House.

Enjoy fellowship with other believers in a peaceful home environment. You are free to use the kitchen and laundry room. We love children, families with peaceful and respectful children are welcome to stay together.

Relax and unwind Victorian style. Grab a cup of tea and your Bible to relax in our front Parlor. Enjoy playing a hymn or spiritual song on our 1888 piano. We also have a media room that is stocked with Answers in Genesis materials. You can view AiG DVDs on the big screen with our LCD projector. Both of these rooms offer restful retreats to strengthen and encourage you!
